We were even disconnected and found each other again. You don't see good customer service appearing like that anymore. Thanks so Nick for helping make our holiday sweeter. JennieTOP REVIEWERHELPPFUL REVIEWERthey responded quickly on the internet and delivered immediately. Very friendly w / their service. Groupon totally screwed this up. I had to contact Splash Wines to get order and order. They were amazing to work with. Groupon - not so much. The only way to get them is through an online chat – and all they want to do is rush you to get you off the chat.
